

PIONET... 2025

- ▶ **It's for all European Patrols**
- ▶ **2 phases** in which the Patrols will be evaluated
- ▶ the Patrols will have to work very hard to win!

PIONET... is a pioneering competition for all European Patrols, with an adequate design, a technical realization and an equally important presentation of the construction.

The final result will be the sum of the work of the Patrol, so the report will have to show in particular the contribution that each Scout has given.

THE ACTIVITY SHOULD BE DEVIDED INTO TWO PHASES:

1 First phase: each Patrol must do a complete design of the structure and calculation of the materials and a report in English must be submitted, as detailed as possible, by **June 30, 2025**. The report must include the name, a photo and the role of each Scout in the Patrol.
All reports must be sent by email to:
pionet@wfis-europe.org

2 Second phase: realization and consequently, submission of a detailed report with photographs by **December 15, 2025**.

All reports must be sent by email to:

pionet@wfis-europe.org

- The works will be evaluated by “professionals”. The sum of the votes of each individual phase will provide the final classification.
- There will be three prizes for the first three classified Patrols.
- Each Scout that participated will receive a badge and each Patrol a participation certificate.

HOW TO PARTICIPATE:

An e-mail must be sent to:

pionet@wfis-europe.org

that says: “We are the XXX Patrol (and the name of the Association and Nation) and we want to participate at PIONET...!!!!”

Good pioneering to everyone !!!!!
